

Collection Holder Annual Report – 2025 growing season

Name of National Plant Collection		Completed by: (please print your name)	
Collection Holder name		How do you record your plant records?	Persephone/ IrisBG / Excel / other:
We need an up-to-date plant list every 2 years. If your records are stored in Persephone and up to date don't worry as we can check your plant list that way. If not, please attach or send a full plant list if you didn't send one last year. For alternate years, please tell us about any additions and/or losses below.			
Missing plants: please tell us about any plants you are finding it hard to source for your collection.			
Do you take part in the Plant Exchange or Plant Guardian scheme?			
Developments /losses or additions to the Collection			
Can we support you further?			
Contacts & visits	Please give an estimate of visitors to the collection e.g. Collection open days		
Research, shows or publicity for your Collection that you'd like us to know about			
Have you applied for a Collection Holder Bursary?			
Have recent weather patterns effected the collection?			
Have your plans for continuation & succession of your collection changed during this year?			
Please send the completed Report, along with any further information or current plant list(s) to: collections@plantheritage.org.uk
